

Dear Parents/Guardians of Students Entering Kindergarten,

A B C D E F Gee what a lot of fun we will have next year! We are so excited to get to know your little one and we are looking forward to working with you and your child next school year.

Summer is a great time for kids to have fun. It is also a wonderful time for parents and children to read together in preparation for Kindergarten in August. Reading aloud to your child is a great way to help your child begin to learn good reading skills. During kindergarten, children often take their first steps toward becoming readers. During the summer, take some time to show your kindergartner that reading is fun and that anytime is a good time to curl up with a great book.

Over the summer, we want you and your child to read and rate at least 5 books (feel free to read more than 5). Allow your child to choose books that they are interested in and eager to read. Write the title of the book and then have your child rate the book according to the rating scale. We are asking that 1 of the books you read is *Miss Bindergarten Gets Ready for Kindergarten* by Joseph Slate. This will ensure that your child is prepared to engage in fun learning activities that we have planned for the beginning of the year.

We hope you have a fun and relaxing summer. Don't forget that Kindergarten camp will be June 24-28. It is a great time to meet new friends, your teachers, and have a fun time!

Attached you will find the Kindergarten Supply List as well as the Summer Reading rating scale. If you have any questions please feel free to contact Mrs. Burba at c.burba@ndasaints.org or Mrs. Weilage at b.weilage@ndasaints.org
